At TDHS we recognize that some clients have greater needs than their package or funding is able to provide. If clients are struggling to afford services under their package or funding, we encourage providers to contact us to discuss options to help ensure clients are receiving the services that they require.

If you wish to discuss these rates or have any questions, please don't hesitate to contact our friendly reception team on (03) 55586000 and your call will be directed to the relevant department.
